

Maumee Valley Chapter

Dear Friend,

We would like to invite your company to be a contributor for our Wheelin' Sportsmen Turkey Hunt at the Toledo Lucas County Port Authority that operates the last weekend in April. This event provides people with serious disabilities or health conditions, some of which are terminal, to experience the joy of being in the outdoors and hunting as they did prior to the onset of their illness or disability. We are writing to seek your involvement and support of this rewarding event through a monetary sponsorship or product donation. A partnership between your company and our event committee will create a positive impact for all individuals involved, while potentially benefiting your company due to the exposure received by being involved.

Over the years, our event has been recognized by the National Wild Turkey Federation (NWTF) as the Event of the Year at the National and State level! The annual April event is a two day turkey hunt that takes place on the Toledo Express Airport perimeter property. The event also assists the Port Authority by controlling wildlife that could potentially endanger runway traffic.

We understand that you receive requests similar to this on a frequent basis and thank you in advance for your consideration in assisting our Wheelin' Sportsmen Event Committee in making the event successful. We look forward to working with your company while raising consumer awareness of the product(s) that you offer through our event.

We thank you for considering a partnership with our NWTF Wheelin' Sportsmen Committee and wish your company all the best this year!

If you would like to discuss event sponsorship or product donor opportunities further, please contact Gary Robison at 419.410.5824

Rest Regards,

The Maumee Valley Wheelin Sportsmen Committee
